PRINCIPAL'S COMMENT

Kia ora tatou

Term One has just rushed by and the April holiday break is upon us and I am sure everybody is looking forward to the break. There has been a wide range of extra-curricular activities for students to get involved with! (Sport, Camps, Fieldtrips, and Community Events etc) I am always impressed with how students and staff can fit all these things in and still complete the academic side of their learning programme. It is very important however to get a balance between the curricular and extra-curricular activities and sometimes choices need to be made to ensure that justice is done to your learning.

I would like to send my farewell wishes with Justin Harper (DP) and his family who has been appointed to Principalship at Callinane College in Whanganui. May your leadership continue to be wise and inspirational and always in the

best interests of the youth of our magnificent country. Also to Reuben Wells and his whanau as they journey to inspire the Australians. We will miss you both and look forward to catching up in the future.

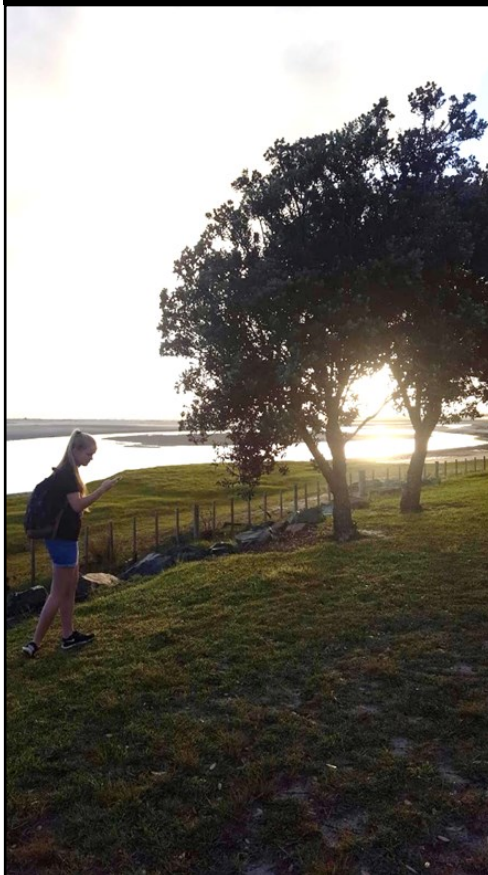

Winter Team Sport starts in earnest next term and I urge all students and parents to take up the challenge of being involved. The rewards are tremendous as we see youngsters learning new skills and developing the capacity to work and have fun in teams. Yes there may be times of anguish and frustration, but the benefits far outweigh the disappointments. If you are unsure about how to help contact the school and we will be able to put you on to the teacher in charge. **Always play to win but play hard and play FAIR!**

Reminder that **Term Two starts on Monday 30th April.**

Have a great break, give back to those that love you most and remember to **be the best that you can be in everything that you do.**

COLLEGE NEWS

Goat Island Biology Trip

Perfect weather, perfect company and Mr Galey in a skin tight wet-suit. The Year 12 Biology trip to the Goat Island Marine Reserve was a fantastic experience that began on a much-too-early Wednesday morning. After cramming all our gear onto the bus we began our 3 hour drive up north. Our first stop was the Miranda Shore Bird Reserve. Here we spent some time learning about the Godwit which flies 12,000 km from New Zealand to Alaska during its migration. We then carried on to Kelly Tarlton's Aquarium, where we learnt about ocean sustainability. After a miscommunication between teacher and bus driver, which resulted in us missing our designated stop at Maccas and left us all feeling a little hungry, we arrived at the stunning gorgeous marine reserve.

Over the next 2 days we learnt about the fascinating ocean

organisms that occupied the rocky shore and enjoyed some of the amazing things Goat Island has to offer. We went

snorkelling and spied Eagle Rays and many species of unique fish, we went on a glass bottom boat and saw beautiful sights such as penguins, giant snapper and someone vomiting into the ocean. We all had a great time and would like to thank Mr Galey and Juliet for helping us discover such a treasured place so close to home. I wish everyone the best of luck for our internal write-up next term.

Holly Elson-Fisher

Leo News

On Saturday 24th February, a group Leo's (Lions International Youth Group) attended the Annual Lions District Conference where over 70 Lions Clubs were represented. Together with other Leo's they weeded new plants at the Waiwhakareke Heritage Park, met other Leo groups and discussed ideas on how best to serve the

community.

The Waihi Lions were voted the most outstanding club in the district, and the group were successful in

their bid for the Waihi Lions to host the conference in 2020.

Well done Mahonri, Aidan, India, Amy and Holly.

Brendan Carroll

Careers Notice Board

Visits this term included Otago University, Massey University, Waikato University, WINTec, Auckland University of Technology and Auckland University. A group also went to the Primary Industries Career Day at Ngatea.

Congratulations to Ngawhira Kennedy who successfully gained a scholarship to the University of Otago's On Campus Experience.

Highlights for Term 2 will include visits by Victoria University and Toi Ohomai plus Open Days to the University of Waikato, WINTec and Toi Ohomai.

A daily bus service to Waikato University (at \$1 a trip) will continue next year along with a \$10,000 Scholarship (Te ara ki Angitu) and there is a strong possibility of a daily bus service to their campus in Tauranga next year. This can be used by the Toi Ohomai students as well.

Roger Hunt

Debating

Early one Saturday morning at the beginning of March, seven Year 10 Waihi College students made their way to Tauranga Boys College for the first Bay of Plenty regional debating competition. We had two teams as well as a backup speaker, and were the youngest teams there. We would be competing in four debates each against Year 11 to 13's.

It was a tough beginning with both teams coming away defeated in the first few rounds, however we managed to pull through and get one win each in the second half. We even had our substitute join onto another team, which won as well. At the end of the day we came away with three wins and finished in 17th place out of 24 teams. This is a fantastic result considering how young and inexperienced we were compared to some of the other teams.

It was great to be involved in the competition and we came away with lots of knowledge for future debates.

Sarah Keall

Defensive Driving Courses

Next course over 4 nights from 6-8pm Monday 14th, Wednesday 16th, Monday 21st, Wednesday 23rd May \$180.00 contact 07 863 4550 or 021 152 1186.
