#### PRINCIPAL'S COMMENT

Last month I announced the promotion of Deputy Principal, Brendan Carroll, as the new Principal of Reporoa College. Brendan leaves us at the end of the term and I am pleased to

announce that **Darren van de Wetering** will be joining us as Brendan's replacement. I would also like to take this opportunity to

welcome **Peter Young** to our school. Peter is taking on the Coleadership of the Mathematics

Department and is replacing Joanne Howell who is now the Deputy Principal.

The Community of Learning has also recently employed Fiona McSherry (Waihi Beach School) and Kookie Koopu (Waimata School) as Across School Leaders (ASL). Their role is to implement strategies and programmes across all of our schools that aim to improve the learning outcomes for students who are at risk of under achieving. Look out for more information in the local newspaper.

Matariki is the Māori name for the cluster

of stars also known as the Pleiades. It rises in mid-winter and for many Māori, it heralds the start of a new year. Matariki is a time to prepare; to learn, to share ideas, and to celebrate the future.

It was great to have **Mike King** in the school last week talking about mental health and giving students strategies to cope and support each other. Mike is always entertaining and thought inspiring.

The school **'Ball'** Autumn Nights was a spectacular success and the students looked outstanding in their gowns and suits. Congratulations to all those who gave up their time and energy to create an opportunity for others to enjoy. You are true citizens.

Over the past two weeks, we have had two groups of **Japanese** students visiting our school. Whilst only for a day each it was great to see the interaction between the students and the beginnings of friendships forming. Look out for opportunities to travel back to Japan over the next couple of years.

I also send a special welcome to any **new families** who have recently arrived in our district. Welcome to Waihi and Waihi College. Please feel free to contact us to discuss any concerns.

#### The School Ball

The School Ball "Autumn Evening" was well attended on Saturday night. A big congratulations goes out to Nyah Frew and her committee for putting on a beautiful

The students danced all night long! Pippa Russel's media students put projection some fantastic backdrops and Mrs Fitzgerald and her crew did the catering. A big thank you goes to the waiters, waitresses and kitchen helpers who worked very hard on the night and Jane, Matty, Wayne, Shannon and the office ladies for going the extra mile for me!

## Duke of Edinburgh Award

Over the past month some of the students completing the Duke of Edinburgh Award have been participating in adventurous journey training weekends. These weekends have been aimed at the Bronze, Silver and Gold levels.

The students involved have had some classroom teaching which involved making and delivering an outdoor education presentation on a specific topic. They have also ventured into different areas in the Kaimai ranges to complete tasks such as bivy building, river crossing and camp cooking. Now they have completed their training they will need to plan and participate in a practice and final tramp. Hannah Gifford

#### Chess

A group of Year 7 and 8 boys went Chess first Power

Tournament at Hauraki Wednesday College on May. They played a series of round robin games against intermediate teams from other schools. was the first chess tournament these boys had ever attended.

They did extremely well with Campbell Douglas coming first overall in the intermediate section and Braydon Burr coming second overall in the intermediate section. the points the accumulated for the day the top four in the team have been invited to play at the Nationals. The team

will be Campbell Douglas, Braydon Burr, Justus Chapman and Flynt Leigh. Well done boys.

### **BOP Amazing Race**

On Friday the 18th of May six year 8s (Lillie Tai, Tyla Millar, Riley Fisher-Peet, Max Baker, Ashton Mathers and Zach Pullen) went to Tauranga to compete in the Amazing Race, it was held at the Tauranga Domain.

The Amazing Race is a competition that schools around the Bay of Plenty compete in. There are lots of challenges and games there that you have to complete. Some of these games included bop it, croquet (Riley won the juggling part for us) operation, the lolly guess, one of the few challenges was the photo challenge and with our amazing team we won the \$50 subway voucher.

It is a great event and a cool experience.

#### Gymnastics SPOTLIGHT ON... Shilah Clothier Hi I'm Shilah

I'm a Step 6 Gymnast. I love gymnastics and I train 17 hours a week in Tauranga and I travel about one hour to get to my gym.

I do four hours each training and one five hour training in the weekend. Gymnastics is pretty much my life. I train all year round and I do about 6 competitions a year. The skills in my routines are a lot harder than last year but I have trained hard to get them.

My goals this year are to go to the Nationals again and hopefully go up to Step 7.

#### Debating

On the 2nd of July, Waihi College will once again be taking on Katikati College, our rivals, at the second annual Waihi vs Katikati debating competition. It will be introduced as a part of the Waihi and Katikati past. Exchange; in the exchange had only included sports, however it will now be open to both sports and academics.

Waihi College debating will be sending one junior team and one senior team to Katikati College to compete. Last year we were able to come away with a win, and we hope to do so again this year, so if you are interested in partaking then pop into B9 on a Wednesday at lunchtime and join the debating crew!
